Summary

WordPress developer with 6+ years of agency experience building, optimizing, and maintaining custom WordPress/WooCommerce sites. Specialize in pixel-perfect Figma-to-WordPress conversions, payment gateway integrations, performance optimization, and long-term client retainers.

Experience

WordPress Developer

May 2019 – Dec 2025

Y5 Creative

- Built and maintained 24+ custom WordPress & WooCommerce sites from scratch
- Converted Figma/XD designs into pixel-perfect, responsive layouts (Elementor/WPBakery + custom CSS)
- Integrated Stripe, Moneris, PayPal, and Converge with recurring payments
- Managed hosting, DNS, SSL, and full-site migrations (Cloudways, Flywheel, etc.)
- Ongoing maintenance and security for 10+ retainer clients (near zero incidents in 6+ years)

Freelance WordPress Developer

Sep 2018 – Present

Vancouver Ballet Society

- Single-handedly rebuilt entire site from scratch using provided designs
- Created custom templates and components with minimal plugins for speed
- Set up hosting, security, and trained staff on updates
- Custom sections with creative workarounds (without adding plugins)

Web Developer Intern

Mar 2018 – May 2018

Vancouver Ballet Society

- Single-handedly rebuilt entire site from scratch using provided designs
- Created custom templates and components with minimal plugins for speed
- Set up hosting, security, and trained staff on updates
- Custom sections with creative workarounds (without adding plugins)
